Increase in Weight!

MILLIONS of people all over the United States and Canada have not only been relieved of the most obstinate forms of dyspepsia and indigestion by the Tanlac Treatment after other remedies have failed, but many of them have reported a remarkable and rapid increase in weight and a return to normal health and strength by its use.

Although Tanlac's claims for supremacy are abundantly supported by the world's leading authorities, it is the people themselves who have really made Tanlac what it is. Millions upon millions have used it with the most gratifying results and have told other millions what it has done for them.

That is THE REASON WHY Tanlac has become the real sensation of the drug trade in the United States and Canada, and that is also THE REASON WHY it is having the largest sale of any medicine of its kind in the world today.

Tanlac is sold in Norwich by National Drug Stores Corp., and Taftville Pharmacy, and in Plainfield by F. L. Mercey, Charles H. Carey, Jewett City, Conn.; Dearnley & Clarke, Voluntown, Conn.
